

Veg Box scheme drivers (permanent and cover)

About the Farm

The Community Farm is a not-for-profit social enterprise based in the Chew Valley, just outside Bristol and Bath. We are a nature-friendly, organic farm, working with a network of producers who share our ethics, to supply fresh, local and organic food to hundreds of households throughout Bristol, Bath, the Chew Valley, Frome and Weston-Super-Mare. We aim to grow community as much as we grow food. Every year we welcome over 1,000 people onto the land for volunteering sessions, wellbeing courses and events centred around food, farming and connection to the land.

Who are we looking for?

We need people who are strongly self-motivated and have a deep enthusiasm for food, farming and the natural world. The Farm is an inspiring place to work, and the enthusiasm of our wonderful volunteers keeps us all motivated. Working at The Farm does involve handling a myriad of weather conditions, even office-based workers need to relish the farm environment. Unfortunately, there is no public transport to The Farm, so you must be able to drive and have access to a car, or be a keen cyclist.
